

INTERNATIONAL PAPER SIZES & CANVAS PRINTS

These prints in international paper sizes are printed on 200gsm stock with your choice of gloss or satin finish or on canvas. Each will be signed and dated and you are welcome to request a dedication or other personalised caption.

All prints have an unprinted 5mm white border, but for prints on canvas, which are supplied flat, please consider whether you intend to mount the print on frameless stretcher which will need an extra wide border to go around the sides.
